IMPACT REPORT

## EXCITING NEWS: WE'VE UNDERGONE A MAJOR SHIFT THIS YEAR! UNVEILING OUR SECTION 8 COMPANY: NEPATHYA FOUNDATION

Nepathya has sharpened its focus, placing a dedicated emphasis on empowering low-income families to achieve financial stability. As we embark on this new chapter, we warmly invite you to adopt Nepathya as a shared identity, joining hands to collectively stride towards a brighter future.

**SKILL DEVELOPMENT**

**INCOME GENERATION**

**FINANCIAL EDUCATION**

“ This volunteership has been a learning experience that I am thoroughly enjoying. I am able to apply my newfound Excel skills and the students display curiosity and eagerness during the classes. The library managers Anuradha Di and Veerji have extended a very warm welcome and have made me feel like a cherished member of their team.

~ Asha, volunteer teaching advanced excel at the library

# Moments that keep us going...

SURLIYA, a chinese food street vendor, has always been passionate about acting. His drama performance was ranked first by THE judges in our talent show, HUNNAR.

BARKHA, a 26 year old disabled woman has been training in our stitching classes ready for new beginnings in her life.

PREETI, after honing her skills through our training sessions has ventured into the entrepreneurial space as a freelance artist in her community.

KP KHANAL, the youngest social activist of Nepal along with the local government of Nepal are onboard to kickstart Project Copal in areas with the highest period poverty.

Out of 164 students training with us under Project QALA - 50% belong to socially backward classes.

ANURADHA, has secured a full time leadership role where she is able to advance her skills in conducting Training sessions such as stitching, computers and beautician training, data management and bookkeeping.

## WE NEED YOUR HELP

- New training sessions on hair dressing and styling are in the pipeline. We are collecting funds for these sessions.
- 12 people enrolled in our excel classes are on a lookout for hybrid short term internships which require data storage, cleaning and analysis. Any leads for such opportunities will be appreciated.
- One of our beneficiaries, Sikkim Didi is setting up a small scale corset business and we are taking pre orders for the same!
